The 21st International Workshop on Computational Aspects of Subjectivity and Sentiment Analysis (CASC) will be held in Moscow, Russia, from August 26th to 30th, 2024.

CASC is a leading international forum for researchers and practitioners working on the computational analysis of subjectivity and sentiment in text. The workshop brings together researchers from a variety of disciplines, including computer science, linguistics, psychology, and social sciences.

The 21st CASC workshop will feature a mix of invited talks, contributed papers, and workshops. The workshop will also include a special session on the impact of subjectivity and sentiment analysis on society.

Important Dates

- Paper submission deadline: March 15th, 2024
- Notification of acceptance: May 15th, 2024
- Camera-ready deadline: June 15th, 2024
- Workshop dates: August 26th-30th, 2024

Submission Guidelines

Papers submitted to CASC 2024 should be original, unpublished work. Papers should be no more than 8 pages in length, including references. Papers should be formatted according to the Springer LNCS style.

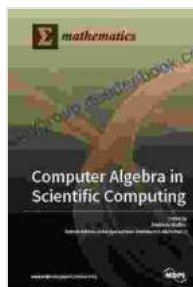

Papers should be submitted electronically through the EasyChair submission system.

Workshop Organizers

- Program Chairs:
 - Ivan Titov, University of Washington
 - Ekaterina Vylomova, Russian Academy of Sciences
- Local Arrangements Chair:
 - Alexander Gelbukh, National Research University Higher School of Economics
