The Story

Geronimo Stilton is a famous mouse journalist who loves to write about his adventures. In this book, he and his friends are invited to visit the International Space Station. They are excited to experience life in space and learn about the work that astronauts do. However, their adventure

takes an unexpected turn when their spaceship is attacked by aliens. Geronimo and his friends must use all of their courage and teamwork to save the day.

The Characters

Geronimo Stilton is a kind and curious mouse who is always ready for a new adventure. He is joined by his friends Trap, Thea, Benjamin, and Professor von Volt. Trap is a brave and loyal mouse who is always there to protect Geronimo. Thea is a smart and resourceful mouse who is always coming up with new ideas. Benjamin is a shy and gentle mouse who loves to read and learn. Professor von Volt is a wise and eccentric mouse who is an expert on space exploration.

The Illustrations

The illustrations in *Geronimo Stilton 52: Mouse in Space* are bright and colorful. They bring the story to life and help readers to visualize the characters and settings. The illustrations are also educational, as they provide readers with a glimpse of life in space and the work that astronauts do.
