- The increasing complexity of public problems
- The growing demand for public services
- The need to reduce government spending
- The rise of new technologies
- The globalization of the economy

These challenges are putting a strain on public administrators and public institutions. They are being forced to do more with less, and they are having to adapt to new ways of working. The Routledge Research in Public Administration and Public Institutions series provides a forum for scholars to discuss these challenges and to develop new solutions.

### **Recent Publications in the Routledge Research in Public Administration and Public Institutions Series**

The Routledge Research in Public Administration and Public Institutions series has published a number of recent books on the latest developments in public administration and public institutions. These books include:

- *Public Administration in the 21st Century: Challenges and Opportunities*, edited by Jay M. Shafritz and Albert C. Hyde
- *The Routledge Handbook of Public Administration*, edited by Jay M. Shafritz, Albert C. Hyde, and F. David Osbourn
- *Public Institutions: Theory and Practice*, by B. Guy Peters

- *The Oxford Handbook of Public Management*, edited by Christopher Pollitt and Geert Bouckaert

These books provide a comprehensive overview of the latest research in public administration and public institutions. They are essential reading for scholars, practitioners, and students in these fields.

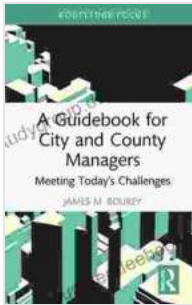

### **Submission Guidelines for the Routledge Research in Public Administration and Public Institutions Series**

The Routledge Research in Public Administration and Public Institutions series welcomes submissions from scholars around the world. Submissions should be original research that makes a significant contribution to the field. The series is particularly interested in research that addresses the challenges facing public administrators and public institutions in the 21st century.

Submissions should be formatted according to the Routledge style guide. The length of submissions should be between 80,000 and 100,000 words. Submissions should be submitted electronically to the series editor, Jay M. Shafritz, at [jay.shafritz@fiu.edu](mailto:jay.shafritz@fiu.edu).

The Routledge Research in Public Administration and Public Institutions series is a leading publisher of high-quality research on the latest developments in public administration and public institutions. The series provides a forum for scholars to discuss the challenges facing public administrators and public institutions in the 21st century and to develop new solutions. The series is essential reading for scholars, practitioners, and students in these fields.
