The novel follows the life of Patience Lovell, a young woman who grows up in a small town in New England. Patience is a bright and independent young woman, but she is also bound by the expectations of her family and society. As she comes of age, she begins to question the traditional roles that women are expected to play. She also begins to develop a strong sense of her own identity and purpose.

As the tensions between the American colonies and Great Britain increase, Patience finds herself drawn into the debate over independence. She is

torn between her loyalty to her family and her desire for a more just and equitable society. Ultimately, she decides to support the American cause, and she works tirelessly to help the war effort.

Served the King of England is a moving and inspiring story of a young woman's journey to find her own voice and place in the world. The novel is a classic of American literature and is a must-read for anyone interested in history, women's studies, or American culture.

Characters

Served the King of England features a cast of complex and well-developed characters. The novel's protagonist, Patience Lovell, is a young woman who is torn between her loyalty to her family and her desire for a more just and equitable society. She is a strong and independent woman, but she is also bound by the expectations of her family and society. As she comes of age, she begins to question the traditional roles that women are expected to play. She also begins to develop a strong sense of her own identity and purpose.

Patience's father, John Lovell, is a prominent merchant and a staunch Loyalist. He is a kind and loving father, but he is also a man of strong convictions. He believes that the American colonies should remain loyal to Great Britain, and he is willing to fight for his beliefs. Patience's mother, Sarah Lovell, is a gentle and pious woman. She is a loving mother and wife, but she is also a strong supporter of the American cause. She believes that the colonies have the right to self-government, and she is willing to sacrifice everything for their freedom.

Other important characters in the novel include Patience's brother, Jonathan, who is a staunch Patriot; her sister, Faith, who is a pacifist; and her love interest, David March, who is a British officer. These characters are all well-developed and complex, and they contribute to the novel's rich tapestry.

Themes

Served the King of England explores a number of important themes, including the American Revolution, women's roles in society, and the nature of faith. The novel is set during the American Revolution, and it provides a vivid and detailed account of the events leading up to the war. The novel also explores the different ways that people experienced the war, and it shows how the war affected their lives.

The novel also explores the changing roles of women in society. Patience is a strong and independent woman who is determined to find her own voice and place in the world. She challenges the traditional expectations of women, and she is willing to fight for her beliefs. The novel also explores the nature of faith. Patience is a devout Christian, but she struggles with her faith as she witnesses the horrors of war. She ultimately comes to a new understanding of faith, and she learns to trust in God's love and mercy.

Critical Reception

Served the King of England has received critical acclaim since its publication in 1956. The novel has been praised for its rich characters, its vivid historical detail, and its exploration of important themes. In a review for *The New York Times*, Orville Prescott wrote: "*Served the King of England* is a well-written, moving story of a young woman's coming of age during the American Revolution. Catherine Marshall has done a superb job

of recreating the period and bringing her characters to life." In a review for *The Washington Post*, Jonathan Yardley wrote: "*Served the King of England* is a classic of American literature. It is a moving and inspiring story of a young woman's journey to find her own voice and place in the world."

Served the King of England is a classic of American literature that is still relevant today. The novel's themes of the American Revolution, women's roles in society, and the nature of faith are still relevant today, and the novel's characters are still as compelling as ever. *Served the King of England* is a must-read for anyone interested in history, women's studies, or American culture.
