History

The Little Tikes was founded in 1969 by Tom Murdough in Hudson, Ohio. Murdough was a tool and die maker who was inspired to create toys that were both safe and fun for his own children. The company's first product was the Cozy Coupe, a ride-on toy car that quickly became a bestseller.

Over the years, The Little Tikes has expanded its product line to include a wide range of toys, from playhouses and slides to dollhouses and ride-on toys. The company's products are now sold in over 100 countries around the world.

Products

The Little Tikes offers a wide variety of toys, including:

- Playhouses
- Slides
- Ride-on toys
- Sandboxes
- Trampolines
- Swing sets
- Dolls and dollhouses
- Play kitchens
- Arts and crafts supplies
- Board games
- Educational toys

The Little Tikes' products are designed to be durable, safe, and fun. They are made from high-quality materials and are tested to meet all safety standards.

Benefits of Playing with Little Tikes Toys

There are many benefits to playing with Little Tikes toys, including:

- **Encourages imaginative play:** Little Tikes toys are designed to encourage children to use their imaginations and create their own adventures.

- **Promotes learning:** Many Little Tikes toys are educational and can help children learn about colors, shapes, numbers, letters, and more.
- **Provides hours of fun:** Little Tikes toys are designed to be fun and engaging, and can provide children with hours of enjoyment.
- **Builds confidence:** Playing with Little Tikes toys can help children build confidence as they develop their skills and abilities.
- **Promotes physical activity:** Many Little Tikes toys are active, and can help children get the exercise they need.

Commitment to Safety

The Little Tikes is committed to safety. All of their products are tested to meet or exceed all safety standards. The company also has a strict recall policy in place to ensure that any products that do not meet their safety standards are removed from the market.

Environmental Responsibility

The Little Tikes is also committed to environmental responsibility. The company uses recycled materials in many of their products and is working to reduce their environmental footprint.

The Little Tikes is a beloved children's brand that has been producing high-quality, durable, and fun toys for over 50 years. Their products are designed to encourage imaginative play, promote learning, and provide countless hours of enjoyment for children of all ages.
